

# Local Councils, Internal Drainage Boards and other Smaller Authorities in England Annual Governance and Accountability Return 2017/18 Part 2

**To be completed only by smaller authorities\* where the higher of gross income or gross expenditure was £25,000 or less, that meet the qualifying criteria, and that wish to certify themselves as exempt from a limited assurance review**

## Guidance notes on completing Part 2 of the Annual Governance and Accountability Return 2017/18

1. Every smaller authority in England where the higher of gross income or gross expenditure was £25,000 or less **must** following the end of each financial year, complete Part 2 of the Annual Governance and Accountability Return in accordance with *Proper Practices*, unless the authority:
  - a) does not meet the qualifying criteria;
  - b) does not wish to certify itself as exempt
2. Smaller authorities where the higher of gross annual income or gross annual expenditure **does not exceed** £25,000 and meet the qualifying criteria as set out in the Certificate of Exemption **are exempt** from sending the completed Annual Governance and Accountability Return to the external auditor for a limited assurance review **provided** the authority **completes both** the
  - a) **Certificate of Exemption**, page 3 and returns it to the external auditor
  - b) **Annual Governance and Accountability Return (Part 2)** which is made up of:
    - **Annual Internal Audit Report (page 4)** to be completed by the authority's internal auditor.
    - **Section 1 – Annual Governance Statement (page 5)** to be completed by the authority.
    - **Section 2 – Accounting Statements (page 6)** to be completed by the authority.
3. The authority **must** approve Section 1 Annual Governance Statement before approving Section 2 Accounting Statements and both **must** be approved **before 2 July 2018**.

## Publication Requirements

Smaller authorities must publish various documents on a public website as required by the Accounts and Audit Regulations 2015, the Local Audit (Smaller Authorities) Regulations 2015 and the Transparency Code for Smaller Authorities. These include:

- **Certificate of Exemption**, page 3
- **Annual Internal Audit Report 2017/18**, page 4
- **Section 1 – Annual Governance Statement 2017/18**, page 5
- **Section 2 – Accounting Statements 2017/18**, page 6
- Analysis of variances
- Bank reconciliation
- Notice of the period for the exercise of public rights and other information required by Regulation 15 (2), Accounts and Audit Regulations 2015.

## Limited Assurance Review

Providing the authority certifies itself as exempt, and completes and publishes the Annual Governance and Accountability Return, there is **no** requirement for the authority to have a limited assurance review.

Any smaller authority may, however, request a limited assurance review. In these circumstances the authority should **not certify itself as exempt, ie not complete** Certificate of Exemption, but complete Part 3 of the Annual Governance and Accountability Return 2017/18 and return it to the external auditor for review.

The cost to the smaller authority for the review will be £200 +VAT.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

\*for a complete list of bodies that may be smaller authorities refer to schedule 2 to Local Audit and Accountability Act 2014.

## Guidance notes on completing Part 2 of the Annual Governance and Accountability Return 2017/18, Sections 1 and 2

- Where an authority is exempt from the requirement for a limited assurance review, it need not submit its Annual Governance and Accountability Return to the external auditor. However, as part of a more proportionate regime, the authority **must** comply with the requirements of the Transparency Code for Smaller Authorities.
- The authority **must** comply with Proper Practices in completing this Annual Governance and Accountability Return and the Certificate of Exemption. Proper Practices are found in the *Practitioners' Guide\** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end.
- The authority **should** receive and note the annual internal audit report prior to approving the annual governance statement and before approving the accounts.
- Make sure that the Annual Governance and Accountability Return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed annual return. Any amendments must be approved by the authority and properly initialled.
- Use the checklist provided below to review the Annual Governance and Accountability Return for completeness at the meeting at which it is signed off.
- You **should** inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant email addresses and telephone numbers.
- It is recommended that the authority has numerical and narrative explanations for significant variances in the accounting statements on **page 4**, should a question be raised by a local elector. There is guidance provided in the *Practitioners' Guide\** that may assist.
- Make sure that the accounting statements add up and the balance carried forward from the previous year (Box 7 of 2017) equals the balance brought forward in the current year (Box 1 of 2018).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights. From the commencement date for a single period of 30 consecutive working days, the accounts and accounting records can be inspected. Whatever period the RFO sets **must** include a common inspection period – during which the accounts and accounting records of all smaller authorities must be available for public inspection – of the first ten working days of July.
- The authority **must** publish the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor.

### Certificate of Exemption

To be completed only by smaller authorities where the higher of gross income or gross expenditure did not exceed £25,000 in the year of account ended 31 March 2018, and that wish to certify themselves as exempt from a limited assurance review under Section 9 of the Local Audit (Smaller Authorities) Regulations 2015

There is no requirement to have a limited assurance review or to submit an Annual Governance and Accountability Return to the external auditor, **provided** that the authority has certified itself as exempt at a meeting of the authority after 31 March 2018 and a completed Certificate of Exemption is submitted notifying the external auditor.

KEXBY PARISH COUNCIL

certifies that during the financial year 2017/18, the higher of the authority's gross income for the year or gross annual expenditure, for the year did not exceed **£25,000**

Annual gross income for the authority 2017/18: £ 2013

Annual gross expenditure for the authority 2017/18: £ 1561

There are certain circumstances in which an authority will be **unable to certify itself as exempt**, so that a limited assurance review will still be required. If an authority is **unable to confirm the statements below then it cannot certify itself as exempt** and it **must** submit the completed Annual Governance and Accountability Return Part 3 to the external auditor to undertake a limited assurance review for which a fee of £200 +VAT will be payable.

By signing this **Certificate of Exemption** you are confirming that:

- The authority has been in existence since before 1st April 2014
- In relation to the preceding financial year (2016/17), the external auditor **has not**:
  - issued a public interest report in respect of the authority or any entity connected with it
  - made a statutory recommendation to the authority, relating to the authority or any entity connected with it
  - issued an advisory notice under paragraph 1(1) of Schedule 8 to the Audit and Accountability Act 2014 ("the Act"), and has not withdrawn the notice
  - commenced judicial review proceedings under section 31(1) of the Act
  - made an application under section 28(1) of the Act for a declaration that an item of account is unlawful, and the application has not been withdrawn nor has the court refused to make the declaration
- The court has not declared an item of account unlawful after a person made an appeal under section 28(3) of the Act.

If you are able to confirm that the above statements apply and that the authority neither received gross income, nor incurred gross expenditure, exceeding £25,000, then the Certificate of Exemption can be signed and submitted to the external auditor.

The Annual Internal Audit Report, Annual Governance Statement, Annual Accounting Statements, an analysis of variances and the bank reconciliation plus the information required by Regulation 15 (2), Accounts and Audit Regulations 2015 including the period for the exercise of public rights still need to be fully completed and, along with a copy of this certificate, published on a public website\* before 2 July 2018. **By signing this certificate you are also confirming that this will be done.**

Mrs Fiona Hill  
Clerk to Kexby Parish Council  
The Byre  
Fieldhouse Farm  
Thornton-le-Clay  
York

Dear Mrs Hill

**To the Chairman and Members of Kexby Parish Council  
Internal Audit of Accounts for the Financial Year ending 31 March 2018**

I am pleased to tell you that the internal audit for 2017/18 has been carried out in accordance with the internal audit plan. Appropriate tests and checks were carried out on the accounts, management arrangements and internal controls to ascertain if they are operating as expected. I can confirm that internal controls are operating as expected. Minor matters were discussed and agreed with the clerk.

Action taken on matters raised by the external auditors following the 2016/17 audit is noted below. There is one additional matter that members may wish to consider and this is also detailed below

The Annual Internal Auditors Report contained within the Annual Governance and Accountability Return 2017/18 has been completed as required.

Risk Management

The external auditors, following last year's audit for 2016/17 noted a significant weakness in the council's risk assessment. During the year the council has addressed this and now has in place a Financial Risk Assessment and other risk management plans.

Reserves

At 31 March 2016 the council's balances were £3796 (twice the amount of the council's precept) and the external auditors advised that the council should have regard to the level of reserves when considering the precept, and that any earmarked reserves should be considered formally when setting the budget. The balances at 31 March 2018 were £4248 representing more than two years' gross expenditure and more than two years' precept at its current level.

When determining the budget, the council should have regard to any funds it is required to set aside, decide the level of reserves it wishes to hold for specific projects and the level of general reserves it wishes to hold. It is generally accepted that general revenue reserves are usually within the range of three to twelve months of gross expenditure.

The council has not increased its precept for 2018/19 and has formally identified some earmarked reserves (in addition to some required specific reserves) leaving a general reserve of £2380, approximately 18 months of gross expenditure, a more acceptable level.

#### Insurance Cover

As part of my audit work I reviewed the council's asset register, this was up to date and contained all the council's material assets although some of these were of low value.

I recommend that the council review the insurance policy when it is due for renewal as it is possible that the excess payable may be more than the value of some of the individual items insured and consequently unnecessarily insured.

I would like to thank Mrs Hill for her assistance and attention during my visit.

Yours sincerely

JL Bennett
